# Big Game Fishing – Private Yacht Charter

*The Big Blues fishing center* provides first class fishing adventures around Phuket at an affordable price in the best conditions of safety and comfort on board our Bertram '50 My Lily.

## Day and Night trip

### *Racha Islands & drop off*

The Racha area consists of two main islands, Koh Racha Yai and Koh Racha Noi (14 miles and 23 miles from Ao Chalong respectively) separated by a narrow pass. The area is quite scenic above the water, with several beautiful white-sandy beaches bordered by groves of coconut trees. Overall the area is more indicated for novice anglers but although heavily fished by the local commercial fishing fleet still from time to time can offer some good fishing day. The North East corner of Racha Yai offers the best sailfish action around Phuket while the drop off (25 NM West of Phuket) is the best place to get a Black Marlin off Phuket together with Wahoo, Dorado and Yellowfin.

Racha Yai and Racha Noi offer also excellent action for night bottom fishing and if you cannot sleep this is for sure an excellent venue to keep you busy all night long!

## Multi-day trip

### *Koh Rok Islands*

Koh Rok Noi and Koh Rok Yai are two astonishing uninhabited islands located 60 miles south east of Phuket. Crystal clear blue waters, white beaches, a beautiful reef host a strictly sailfish playground with non-stop action starting in the afternoon and often resulting in multiple hook-ups.

### *Similan Islands*

Located 60 miles North West of Phuket the Similan Islands National Marine Park is a chain of 9 relatively small uninhabited islands, surrounded by some of Thailand's healthiest and most diverse reefs.

West of Number 1 Island lays the Ton Mai seamount where on a good tide you can have amazing trolling action with Yellowfin Tuna, Wahoo, Skipjack and Barracuda. But most of all here and the drop off are the most productive area for Black Marlin around Phuket. Rising from 250 meters to 75 meters Ton Mai area is rich in fish life and usually large shoals of tuna can be found here. Also popper casting and jigging for Giant Trevally and Dogtooth Tuna can be very productive as well as night bottom fishing for Grouper and a variety of sharks.

## Our tariffs are as follows:

- day or night trip (Racha Islands or drop off nearby Phuket) > 30000 THB up to 6 people. Any additional passenger is charged 2,000 baht per head.
- live aboard trip (Similan Islands or Koh Rok/Koh Ha Islands)> 35000 THB per day (max 4-6 guests).

Our tariffs include the following:

- local taxes and insurance, transfer to/from Babylon Pool Villas, lunch (all meals on live aboard trips), soft drinks and bottled water, coffee&tea, snacks, tropical fruit, baits&lures, the use of first class fishing gear (but not fly) and the assistance of our professional crew.

We do offer only private charter service meaning that the boat will be only for you on that day.

Our live aboard fishing trips offer you undoubtedly to fish the best fishing ground around here but due to their distance from Phuket they request a min of 3 days/2 nights I suggest (with 4 days being the perfect number) For both of them anyway we offer our guests also the option of a 2 days/2 nights trip with departure the night before day 1 and travel at night; in this case the total price is going to be 80000 THB.

## Bait fishing for monster fishes in a reservoir

Enjoy and unforgettable day in this 10 acre lake about 2 hrs drive from Babylon and located at the base of some of the most beautiful limestone karsts formation in southern Thailand.

In this case anglers will have the chance to fish a great variety of species almost unbeatable here in Thailand such as Arapaima to 150kg+, Mekong Catfish to 100kg+, Alligator Gar and Wallagoo Lieri over 50kg, Giant Siamese Carp, Chao Phraya Catfish, Wallagoo Attu, Juliens Golden Price Carp, Black Shark Carp, Piraiba and Jau Catfish, Amazon Redtails, Tiger Shovelnose Catfish, Yellow Cheeked Carp and Chinese black Carp, Vundu Catfish and Nile Perch.

You will enjoy a quiet and peaceful setting due to the fact that they only allow 12 swims to be fished on the lake at one time. This lake is one of the largest fisheries in southern Thailand and it has been designed with generous space between the swims which are positioned in a way that you feel like you are almost alone on the lake.

All prices listed are in Thai Baht and inclusive of all taxes:

Package	Price
Full Day Fishing	5,500
Half-day Fishing 8 am to 12.30 pm	4,000
Half-day Fishing 1 pm to 7 pm	4,500

### Full Day Fishing

The most popular fishing package! You will fish with one Carp rod and one Predator rod, fishing from 8 am to 7 pm.

### Half-day Fishing

Short on time? Our Half-day package is a great alternative. Same tackle as Full Day and fishing is from 8 am to 12.30 pm or from 1 to 7 pm.

Each package includes the following items:

Baits: 1 kg of small fish baits, 1 kg of big fish baits, 1 bowl of laam and 1 bucket of pellet (other EFT carp baits can be used in place of or in addition to pellet depending on your preference).

Other Items: rod pods, bite alarms, terminal tackle, coolers, ice, use of a lakeside sala/shelter AND access to our EFT Mountain Fish Park (entry 600 baht) are all included in the price.

Our guides and service staff are happy to assist at no extra cost. Tipping is appreciated and at your discretion.

Transfer is not included and a two-way transfer by private minibus from Babylon is going to cost you additional 5000 THB. The journey will take about 2 hours.

### Family Special

For one parent and child/children fishing from the same swim, this includes 2 carp rods, 2 fish bait rods and the same baits as a normal fishing package but with 4 kg of fish baits instead of 2 kg. We would of course offer one of our larger swims with oversized salas and lots of room for 2 rod pods.

Note: This offer is for families where the child or children are actually fishing not for enthusiastic dads to fish with 4 rods at a discount price.

### Additional Rod and Bait costs

3rd rod, Carp, is 1,000 Baht per day. There is a 3 rod maximum per person and no rod sharing is permitted.

3rd rod, Predator/Fish bait, 2,000 Baht per day. There is a 3 rod maximum per person and no rod sharing is permitted.

## Traditional long-tail boat excursions

1. Just a short ride from the nearby Rawai beach there are a number of small islands such as **Koh Bon, Koh Lon and Coral Island** with beautiful beaches; local long tails are the best way to visit these islands and have some memorable time away from the crowd.

Many have excellent snorkeling and diving sites, while others simply offer nice patches of sand on which to spend a quiet day. To reach them, hire a long-tail boat for an island-hopping tour.

- **One day trip to Koh Bon or Koh Lon or Coral Island** > 3000/4000 THB x boat

2. **Phang Nga Bay** with its impressive vertical rock-stack islands is the most interesting day trip to be made from Phuket. Anyone ready for a break from the beach should look at this option. Elsewhere have already been given reasons why the cheap James Bond Island tours are to be avoided – so if you want to get to the heart of this bay while avoiding cattle-truck tourism and overly-commercial tourist traps this is the trip for you!

There is only one way to appreciate this area in fact, by boat or better by a private traditional long-tail boat.

That will still require land transport from our resort to the northeast coast where the boat departs from (about 2 hours); the transfer-trip however is worthy since it will give you the possibility to see the typical rural scenery of Southern Thailand with its rubber and palm oil plantations and cozy villages.

The boat route into Phang Nga Bay takes you right past towering Koh Panak Island, and the cave-riddled, picturesque Koh Hong before cruising through the heart of the Bay with its spectacular scenery: James Bond Island or Koh Phing Kan, the island made famous by the James Bond movie, The Man with the Golden Gun and Koh Panyee, the Muslim fishing village built on stilts over the sea.

- **One day trip to Phan Nga Bay & James Bond Island** > 7500/8000 THB x boat (including transfer to/from by private car or minibus)

**We highly recommend to all our valued guests the above trips.**
